OBJECTIVE

Computer Science

My career related focus areas within CS

Interests

Other passions

SKILLS

Experienced In

Completed multiple projects both class and personal

Familiar with

Completed one project in class

EDUCATION

Saint Joseph's University
Philadelphia, PA

Relevant Coursework:

Coursework consists of cs electives that relates to web, security, and mobile app development

WORK EXPERIENCE

Software Developer Intern

CueMe | 5.2018 - present

Web Developer Intern

Under Armour | 5.2018 - present

RELATED EXPERIENCE

First Flight Program

Twitter | 11.2017

Career Combine

Under Armour | 1.2017

App + Web development
UI/Ux design

Video production
Security development
